OFFICIAL WEBSITE of 'Women for European Citizenship', association registered under 1901 French law.

Welcome on **Women for European Citizenship** website

The association **Women for European Citizenship** was created to breathe life into Europe, while respecting her democratic and pluralistic culture. To this end, the association forms a network of women and men who listen to and make themselves heard, European women voicing their expectations, hopes and plans for a Europe offering the warmth and security of living together in a supportive and hospitable manner
